

Dear students on the **RAB & ARCB CEU's approved** course with Vera Krijn

# **Conditioned Response Reflexology, CRR**

**For an Effortless Pregnancy and Gentle Childbirth,  
Stress, Anxiety, Chronic pain, and palliative Care.**

## **Denmark 2020**

**Copenhagen September the 9<sup>th</sup> & 10<sup>th</sup>, or  
Aalborg September the 12<sup>th</sup> & 13<sup>th</sup>**

We will see you shortly - before we would like to point out - that if there are the slightest symptoms of Covid-19 in the family, you should not show up at the school, but instead have a test done as soon as possible.

It will be possible to get the full course fee back via own cancellation insurance. If you do not have cancellation insurance, the course organizers will compensate you 100% for the days/hours when you cannot participate in the course.

This requires documentation, either for a positive test result on **Covid-19**, Where the entire course fee is refunded, or a negative test result, where you will be compensated for the days or hours, until the results of the test are available.

We look forward to seeing you at two exciting workshops days.

**Please contact us if you have any questions about the above.**

Best regards

Leila Eriksen
